Cleveland State Community College
Hiring Manager
Chattanooga, TN

Dear Cleveland State Community College,

I am writing to express my interest in the Tutor position advertised. With a background as a Math Teacher and Tutor with five years of experience, I have honed my pedagogical and tutoring skills in math and science, all of which I am eager to bring to your organization.

As a math teacher at East Ridge High School, I developed lesson plans, delivered lessons, created formative and summative assessments, and participated in after-school math tutoring.

As a math teacher at Cedar Shoals High School, I also developed lesson plans, delivered lessons, created formative and summative assessments, and participated in after-school math tutoring.

As a private math tutor, I have 10 years of off-and-on experience tutoring students in the following subjects: Algebra II, Precalculus, Calculus (Single and Multivariate), Differential Equations, Linear Algebra, and Abstract Algebra.

Thank you for your time and consideration. I'm looking forward to learning more details about the Tutor position at Cleveland State Community College. Growth is essential to my continued success, and I'm excited for the chance to be a part of Cleveland State Community College's team.

Sincerely,

Alex Munger
