

Alex Munger

Data Analyst

 Portfolio  amunger3  alex-munger  munger.alex@gmail.com  (404) 574-8533

SUMMARY

Work experience in data analytics and business analytics, data storage and presentation, as well as building, deploying, and managing PHP websites with SQL databases. Additional work experience in teaching and tutoring, high-school through college-level math and physics. Looking for a position in data analytics or data science.

PROJECTS

HEALTHCARE ANALYSIS | PYTHON, SQL, POWERBI

2025

- Analyzed star-schema healthcare data structure in SQL, writing queries to select and transform the data.
- Imported data into Python and analyzed using matplotlib and pandas libraries.

GROCERY STORE SALES | SQL, POWERBI

2025

- Analyzed grocery store sales from a relational database in SQL.
- Ran useful SQL queries to import and apply analysis in PowerBI to achieve project deliverables.

WORKPLACE FATALITIES | POWERBI

2025

- Assessed workplace injury and fatality data state-by-state to determine compliance and amend safety measures.
- Imported flat files representing state and federal workplace safety data into PowerBI.

EXPERIENCE

MUNGER & STONE, LLP | BUSINESS ANALYST, WEB DEVELOPER

July 2022 - June 2024 | Atlanta, GA

- Developed ad hoc and data visualization resources, created and utilized new reporting tools to drive a better profitability and aid financial performance.
- Delivered enhanced data management solutions by strategically planning data storage and ensuring confidentiality.
- Utilized SQL for database management and PHP with Laravel for user-friendly interfaces.

EAST RIDGE HIGH SCHOOL | MATH TEACHER

July 2021 - July 2022 | Chattanooga, TN

- Taught Algebra II (11th grade) and Analytic Geometry (10th grade).
- Enhanced student understanding of Algebra II by implementing data-driven assessments.
- Assistant varsity baseball coach.

FREELANCE | PRIVATE TUTOR & WEB DEVELOPER

August 2017 - July 2021 | Various (GA)

- Tutored undergraduate and high-school students in subjects such as Calculus I, Calculus II, Differential Equations, SAT Math, Algebra II, and College Physics.
- Re-designed CSS and HTML page structure for University of Georgia Department of Academic Enhancement website [dae.uga.edu]
